DEC 04 2015

The Honorable Victor B. Hocog
Senate President
Nineteenth Northern Marianas Commonwealth Legislature
Saipan, MP 96950

Dear Mr. President and Mr. Speaker:

This is to inform you that I have signed into law, with the exceptions of several disapproved parts described below, House Bill 19-95, HD1, HS1, SS1. This appropriation bill passed by the Nineteenth Northern Marianas Legislature creates an annual Casino License Fee to fund the Commonwealth Casino Commission and specifically provides by law that funds received from Casino License Fees shall not be construed as Commonwealth General Funds (*and for other purposes*).

I agree with the fundamental purpose of this legislation to appropriate money so that the Commonwealth Casino Commission is funded by the licensee to do the all-important work of regulating the gaming industry on Saipan. House Bill 19-95, HD1, HS1, SS1 accomplishes this goal. However, there are several issues with which I disapprove and additional legislative work is required on other matters.

VETOED PARTS OF THE ENACTMENT

Based on the reasons set forth below I have disapproved of the following parts of the enactment:

Section 5, sub-parts (c) and (d) (which provide for a nonrefundable tax credit)

Sub-parts (c) and (d) which provide the licensee with a tax credit to be applied against the CNMI's Gross Revenue Tax in the amount of the casino regulatory fee are disapproved. As originally envisioned in the enabling statute, the cost of regulating casino gaming activities on Saipan are to be paid in full by the licensee and I am not convinced there are good reasons to grant tax relief for this expense.

Section 10 (which amends Section 2314 of Title Four of the Commonwealth Code)

The final clause of the third sentence which provides that any decision of the Commission to revoke the exclusive casino license shall be submitted to the legislature for approval by a majority of the members of each house of the legislature through a joint resolution is disapproved as an unconstitutional '*legislative veto*' in conflict with the United States Supreme Court holding originally set out in *Immigration and Naturalization Service v. Chadha*, 462 U.S. 919 (1983).

Section 15 (creating a new section of law)

Section 15 is disapproved in its entirety because it conflicts with Section 13 of the enactment and members of the Commonwealth Casino Commission and its employees are not to be construed as employees of the Commonwealth.

GENERAL COMMENTS

In addition to the disapproved parts, I want to comment on the following provisions:

Section 10

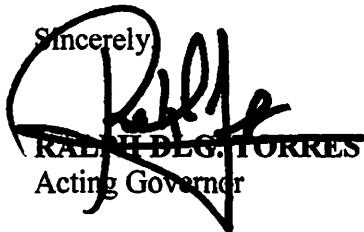

If the legislature wishes to enhance oversight over the important decision to revoke the exclusive casino license, I suggest that a set of criteria be put into legislation which would outline the process and procedure for the revocation that the Commonwealth Casino Commission shall follow in a manner consistent with the Constitution.

Section 14

I encourage the legislature to revisit the amendment contained in this section allowing people within the ages of 18 and 21 to serve alcoholic beverages. The CNMI Government should think through whether an employee -- older than 18 years of age -- is a more appropriate age delineation to permit the service alcohol beverages.

In closing, I urge the legislature to take careful note of the comments in this transmittal and to address the issues specifically raised. This bill, with the exception of the vetoed portions noted above, becomes Public Law No. 19-24.

Copies bearing my signature are forwarded for your reference.

Sincerely,

RAUL M. DELGADO TORRES
